Creatubbles Canada Inc.

Game Developer

Toronto, Ontario

November 2022 – present

- **Led** the design and implementation of a reactive guidance system that validates user actions in real-time, ensuring a seamless learning curve for complex software tools.
- **Engineered** and deployed core gameplay modules—including a comprehensive melee combat system, a robust quest system, and a **Finite State Machine (FSM)** framework—to empower users to architect their own custom interactive experiences.
- **Overhauled** the Inventory System and Character Customization suite, introducing expanded personalization options and a more intuitive UI for younger audiences.
- **Authored a suite of featured mini-games** designed to showcase the platform's technical capabilities; successfully launched **4 of the top-performing titles** on the platform.

Dash9 Gaming - Zaga Talent Gaming - Mad Lions

Professional League of Legends Competitor

Mexico City - Bogota

2016 – 2019

- **Ranked #1 out of 500+ competing teams** in the Liga Latinoamérica Norte (LLN) Qualifying Tournament, securing a position in the region's premier professional league.
- **Recognized as "Player of the Week" four times** during the LLN regular season for exceptional individual performance and strategic execution in the Jungler role.
- **Two-time National Champion**, securing back-to-back titles in the premier national league and establishing a reputation as one of the country's top-ranked professional esports athletes.

Leadership & Activities

George Brown College

Head Coach, Varsity Esports

Toronto, Ontario

2021 – 2022

- **Founded the varsity esports program as the first Head Coach in the organization's history;** spearheaded the end-to-end recruitment process through talent tryouts and managed the development and daily practice scheduling for a roster of 12 student-athletes.
